

OFFICE OF
THE CHAIRMAN

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

September 29, 2010

The Honorable Rick Boucher
U.S. House of Representatives
2187 Rayburn House Office Building
Washington, D.C. 20515

Dear Congressman Boucher:

Thank you for your letter regarding the Commission's review of the proposed joint venture between Comcast Corporation and General Electric Company (GE), together with GE's subsidiary, NBC Universal, Inc. I appreciate your interest in this important transaction and value your views. We will make your correspondence part of the record in the proceeding.

I agree that the Commission's analysis of the proposed Comcast-GE transaction must be thorough, fair, and conducted in an expeditious manner. Staff studied carefully the Commission's past practices in reviewing proposed transactions in order to develop procedures that better achieve these objectives. As part of this effort, the Commission's *Public Notice* seeking comment on the applications required that all substantive issues be raised in the initial filings so that the parties would have the opportunity to address the issues as early as possible in the proceeding.

Please be assured that the issues discussed in your letter, including the potential benefits of a combined Comcast-NBC Universal to the American public, will be considered carefully as part of the Commission's independent review of the transaction. Our staff will continue to work diligently as it reviews the record compiled in the proceeding, including all petitions and comments received from the public. We also will continue to coordinate our efforts with those of the Department of Justice as we strive to have a comprehensive and timely review.

I appreciate your interest in this important matter. Please do not hesitate to contact me if I may be of further assistance.

Sincerely,
