September 15, 2010

The Honorable Joe Baca
U.S. House of Representatives
2245 Rayburn House Office Building
Washington, D.C. 20515

Dear Congressman Baca:

Thank you for inviting me to participate in the Congressional Hispanic Caucus Institute's Technology Summit for a second year. The implementation of the National Broadband Plan is a critical part of restoring our economy through innovation and private investment. I truly value the work that you, Congressman Reyes, and the Hispanic Caucus are doing to highlight this important agenda.

Please do not hesitate to contact me if I can be of service. I look forward to working with you soon.

Sincerely,
