Chairman  
Federal Communications Commission  
445 Twelfth Street, SW  
Washington, DC 20554

Dear Chairman Genachowski:

I would like to thank you for your participation in the 2010 Congressional Hispanic Caucus Institute Public Policy Conference. As a panelist for the Technology Summit, you provided a great overview about the FCC's great work and what we can expect to see in the future especially with broadband and addressing the needs of the Hispanic community. Your invaluable insights helped us understand how crucial ending the digital divide is for our community and what the Obama Administration is doing to address this problem.

Moreover, I thank you for your patience and flexibility in kindly adjusting to the summit timeframe and schedule changes. Changes present many inconveniences in personal schedules, and thus, I am grateful for your understanding and dedication. Thanks to you and the participation of the rest of the panelists, the summit was a great success and I personally received very positive and enthusiastic feedback from the audience.

Thank you for your openness and willingness to work with me thus far. I hope to continue working with you in the future on all media, technology and telecommunication issues involving the Hispanic community.

Sincerely,

JOE BACA, Congressman  
43<sup>rd</sup> Congressional District
