**FCC CHAIRMAN JULIUS GENACHOWSKI STATEMENT ON
NTIA BROADBAND ADOPTION REPORT**

“The digital divide is an opportunity divide -- if you can’t get online, you can’t compete in the digital economy. The NTIA’s new report provides an in-depth look at the persistent gaps between the digital haves and digital have-nots. Closing these gaps is one of the top priorities of the FCC’s National Broadband Plan and a key focus of the agency. Connecting America to fast, affordable Internet will create 21st Century jobs that grow our economy and secure our global leadership.”
