FCC ANNOUNCES TENTATIVE AGENDA FOR JANUARY 25th OPEN MEETING

Washington, D.C. -- Today, Federal Communications Commission Chairman Julius Genachowski announced that the following items will be on the tentative agenda for the next open meeting scheduled for Tuesday, January 25, 2011:

- **Interoperability Order and FNPRM:** An Order and Further Notice of Proposed Rulemaking to ensure that the public safety broadband network is interoperable nationwide.
- **Data Innovation Initiative Presentation:** Presentation on the status of the comprehensive reform efforts to improve the agency's fact-based, data-driven decision-making.

Topics selected for FCC open meeting agendas are posted on the Commission's website approximately three weeks prior to the Commission's next monthly meeting. The FCC will also issue a public notice of the "Commission Meeting Agenda" one week before the meeting and announce at that time the items that are scheduled for the agenda.

Commission meetings are open to the public, who can attend in person at the FCC headquarters (445 12th Street SW, Washington, D.C.), or watch the live stream at www.fcc.gov/live.
