**STATEMENT OF COMMISSIONER MIGNON L. CLYBURN ON CTIA'S  
ANNOUNCEMENT OF STANDARDIZED GUIDES TO HELP CONSUMERS SELECT  
WIRELESS SERVICES AND DEVICES**

“I commend CTIA and the wireless carriers that worked to develop these standardized guides to help consumers choose the wireless services and devices that best suit their needs. Education is a fundamental component of consumer protection. We need more leadership such as this from industry to both identify the difficulties consumers face and recommend solutions to those problems.”
