Released: May 17, 2011

By the Deputy Chief, Consumer and Governmental Affairs Bureau:

On April 6, 2011, the Commission released a *Report and Order and Further Notice of Proposed Rulemaking*, FCC 11-54, in the above captioned proceeding. This Erratum corrects the document as indicated below:

1. In the first sentence in paragraph 3 on page 65 in the Final Rules section of Appendix E is corrected to read as follows:

(3) If, the TRS provider submits additional justification for payment of the minutes of use in dispute within two months after being notified that its initial justification was insufficient, the Fund administrator or the Commission will review such additional justification documentation, and may ask further questions or conduct further investigation to evaluate whether to pay the TRS provider for the minutes of use in dispute, within eight months after submission of such additional justification.

2. Footnote 268 on page 46 is corrected to read as follows:

See ¶58, *supra*, requiring a provider to be responsible for providing the core components of Internet-based TRS, rather than subcontracting out these responsibilities to a third party.
