FCC ANNOUNCES TENTATIVE AGENDA FOR JUNE 9th OPEN MEETING

(Washington, D.C.) – Federal Communications Commission Chairman Julius Genachowski announced that the following items will be on the tentative agenda for the next open meeting scheduled for Thursday, June 9, 2011:

- **Electronic Tariff Filing System Report and Order:** The Commission will consider a Report and Order that enables all carriers that file tariffs with the Commission to do so electronically, thereby streamlining their filing processes while also making tariff information more readily accessible to other carriers and the public.
- **Wider Channel Bandwidths FNPRM:** An FNPRM seeking comment on a proposal which may permit operators to use spectrum more efficiently by enabling the use of wider channel bandwidths for the provision of broadband services in the Broadband Radio Service (BRS) and the Educational Broadband Service (EBS).
- **Space Path Interference Report and Order:** The Commission will consider a Second Report and Order adopting technical rules to mitigate space path interference between the 17/24 GHz Broadcasting-Satellite Service (BSS) space stations and current and future Direct Broadcasting Service (DBS) space stations that operate in the same frequency band.
- **Maritime Automatic Identification Systems Order:** A Memorandum Opinion and Order considering a petition for reconsideration of the deadline by which VHF Public Coast (VPC) licensees must vacate Channel 87B following its re-designation for the exclusive use of Automatic Identification Systems and to modify the VPC frequency band.

The Open Meeting is scheduled to commence at 10:30 a.m. in Room TW-C305, at 445 12th Street, S.W., Washington, D.C. The event will be shown live at FCC.gov/live.
