RE: NANC Future of Numbering Working Group White Paper on Toll Free  
Resources

Dear Ms. Gillett:

This is to advise the Federal Communications Commission that the North American Numbering Council ("NANC"), at its May 17, 2011 meeting, unanimously concurred with the recommendation of the Future of Numbering Working Group to submit the attached "White Paper on Toll Free Resources – Allocation, Assignment and Management" with a request that the Wireline Competition Bureau post the White Paper to the NANC website.

Please feel free to contact me or the Future of Numbering Working Group Co-Chairs: Adam Newman, Telcordia Technologies (anewman@telcordia.com) and Jim Castagna, Verizon (james.t.castagna@verizon.com), if you or members of your staff have any questions regarding this NANC recommendation.

Sincerely,

A handwritten signature in black ink, appearing to read "Betty Ann Kane".

North American Numbering Council
