Report No. 325-00164

Thursday August 11, 2011

Permit To Deliver Programs To Foreign Broadcast Stations

re: Actions Taken

The Commission, by its International Bureau, took the following actions pursuant to delegated authority. The effective dates of the actions are the dates specified.

INFORMATIVE

325-STA-20110809-00002

UNIRADIO CORP.

Special Temporary Authority

Granted with conditions on August 11, 2011, the Uniradio Corp ("Uniradio") application for Special Temporary Authority ("STA") to deliver cross-border transmissions of broadcast programs to FM station XHFG in Tijuana, Mexico. Uniradio is a California corporation that represents Mexican radio station XHFG in the United States.

This Grant is effective August 11, 2011 for the period during which the Commission is processing Uniradio Corp's application for regular authority or 180 days, whichever comes first.

Grant of this STA Permit is further conditioned upon the Mexican station's operation in full compliance with applicable treaties and related provisions concerning electrical interference to U.S. broadcast stations.

This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1992 USA-Mexico FM Broadcast Agreement. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Secretaria de Comunicaciones y Transportes (SCT) in Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization will be subject to immediate termination without right to hearing.
