Application for Modification

Class of Station: Mobile Earth Station

Nature of Service: Mobile Satellite Service

"MOD" By this Application, Comtech Mobile Datacom Corporation ("CMDC") requests authority to modify its existing blanket license, E090027 (the "ROUS" license), to add four (4) new Site IDs and delete all four (4) existing Site IDs. The sole purpose of these changes is to eliminate certain confusing aspects of the ROUS license by consolidating, renaming, and renumbering Site IDs and antennas. As such, the purpose of these changes is strictly administrative; there will be no changes to CMDC's current operations as a result of these modifications.
