STATEMENT OF COMMISSIONER MIGNON L. CLYBURN ON ANNOUNCEMENT OF THE WINNERS OF THE CHAIRMAN'S AWARDS FOR ADVANCEMENT OF ACCESSIBILITY

“I wish to congratulate all of the entities that participated in the Advancement of Accessibility and Cloud Computing challenges. You have demonstrated an incredible commitment to public service by devoting your considerable intellectual talents to this worthy cause. By developing several tools that are accessible and affordable, you have shown how many digital divides can be bridged when we put our minds to the task. I also commend Chairman Genachowski for establishing this innovation initiative which has provided a forum where the best and brightest can collaborate to solve what previously seemed our most intractable barriers to greater accessibility.”
