

June 25, 2012

Dear Ms. Dortch:

ABC Telco hereby accepts \$7,750,000 of its eligible funding for Connect America Fund Phase I incremental support for 2012. To satisfy its deployment obligation in connection with this funding, ABC Telco will deploy broadband to 10,000 locations.

Please see the attached file, which identifies, by 2010 Census Block FIPS code and wire center CLLI code, the locations where ABC Telco will deploy in satisfaction of this requirement. ABC Telco will provide additional data for such locations, including 2010 Census Block FIPS code, NECA Company Code (OCN), Study Area Code, wire center CLLI code, latitude, and longitude, when such information becomes available, which shall be no later than one year from the date of this letter. The attached file contains blanks for columns for which no data are currently available.

Please distribute the funds as follows:

Company	Address	SAC	SPIN	Amount
ABC Telco of Minnesota	300 S Fourth St, Minneapolis, MN 55415	123456	159052387	\$3,875,000
ABC Telco of Virginia	1100 East Main St, Richmond, VA 23219	789012	159052396	\$3,875,000

Pursuant to 47 C.F.R. § 54.312(b)(3), the undersigned certifies that (1) the locations that will be served in satisfaction of the deployment requirement associated with these funds, identified by wire center and 2010 Census block ID in the attached file, are shown as unserved by fixed broadband offered by any provider other than ABC Telco or an affiliate on the current version of the National Broadband Map (last confirmed on June 25, 2012); (2) that, to the best of the knowledge of ABC Telco, these locations are, in fact, unserved by fixed broadband; (3) that ABC Telco's current capital improvement plan did not already include plans to complete broadband deployment within the next three years to the locations to be counted to satisfy the deployment requirement; and (4) that this incremental support will not be used to satisfy any merger commitment or similar regulatory obligation.

Sincerely,

Kelly T. Smith
