

FEDERAL COMMUNICATIONS COMMISSION

July 10, 2012

JULIUS GENACHOWSKI  
CHAIRMAN

The Honorable Al Franken  
United States Senate  
320 Hart Senate Office Building  
Washington, D.C. 20510

Dear Senator Franken:

Thank you for your letter expressing concerns about enforcement of conditions that the Commission established in its *Comcast/NBCU Merger Order*. Your letter touches on a number of important issues, and it will be included in various proceeding records for Commission consideration.

I value your views and want to assure you that the Commission is committed to monitor and vigorously enforce Comcast's compliance with the conditions of the *Merger Order*. In fact, as you are aware, the Commission's Enforcement Bureau adopted a consent decree on June 27, 2012, resolving its investigation of Comcast's compliance with certain of the broadband-related merger conditions. As you noted in your recent press release, by extending a merger condition for an additional year, this consent decree will provide direct benefits to consumers.

Some allegations desire for efficient resolution of compliance complaints. The Commission has reviewed, and will continue to review all compliance complaints as expeditiously as possible, taking appropriate enforcement action when warranted.

I appreciate your interest in this matter. Please let me know if I can be of any further assistance.

Sincerely,

Julius Genachowski
