Dear Congressman Altmire:

Thank you for your letter urging the Commission to conduct its proceeding to implement the incentive auction of broadcast television spectrum in an open and transparent manner. Your concerns about the future of free over-the-air television are very important, and your correspondence will be included in the record of the proceeding for Commission consideration.

The broadcaster LEARN program, which is underway already, is designed specifically to reach out to educate, and to solicit substantive input from broadcasters on all aspects of the incentive auction.

I appreciate your interest in this matter and will keep you apprised of the Commission's progress. Please let me know if I can be of any further assistance.
