

FEDERAL COMMUNICATIONS COMMISSION

December 3, 2012

JULIUS GENACHOWSKI
CHAIRMAN

The Honorable Mark Begich
United States Senate
111 Russell Senate Office Building
Washington, D.C. 20510

Dear Senator Begich:

Thank you for your letter urging that the Commission consider options that will allow LightSquared to offer its planned wireless broadband service, including authorizing use of alternative spectrum for this service. Your letter will be included in the record of the related proceedings and considered as part of the Commission's review.

LightSquared recently submitted various filings proposing alternatives to its existing authorizations in the L-band. Commission staff is reviewing these filings and the complex technical issues associated with LightSquared's proposals.

I appreciate your interest in this matter. Please let me know if I can be of any further assistance.

Sincerely,
