Report No. SES-01539

Wednesday March 27, 2013

Satellite Communications Services

re: Satellite Radio Applications Accepted For Filing

The applications listed herein have been found, upon initial review, to be acceptable for filing. The Commission reserves the right to return any of the applications if, upon further examination, it is determined they are defective and not in conformance with the Commission's Rules and Regulations and its Policies. Final action will not be taken on any of these applications earlier than 30 days following the date of this notice. 47 U.S.C. § 309(b). All applications accepted for filing will be assigned call signs, or other unique station identifiers. However, these assignments are for administrative purposes only and do not in any way prejudice Commission action.

Application for Modification

Class of Station: Fixed Earth Stations

Nature of Service: Fixed Satellite Service

U.S. Satellite Corporation requests modification of its fixed earth station in Murray, UT, to change the regulatory status from common carrier to non-common carrier.
