RE: Local Number Portability Administrator Request for Proposals

Dear Ms. Veach:

The May 16, 2011 Order by the Chief, Wireline Competition Bureau, Federal Communications Commission, in WC Docket No. 09-109 and CC Docket No. 95-116 (DA 11-883), set forth the procedures for the North American Numbering Council (NANC) and the North American Portability Management LLC (NAPM) to follow in the Local Number Portability Administrator (LNPA) vendor(s) selection process. In accordance with Sections 5.i. and 5.j. of the LNPA selection procedures set forth in Attachment A to the May 16, 2011 Order, I would like to advise you that the LNPA Selection Working Group (SWG) in consultation and cooperation with the NAPM's Future of Number Portability Administration Center Subcommittee (FoNPAC) have prepared, reviewed, revised and reached consensus on a final "LNPA Technical Requirements Document", "LNPA Vendor Qualification Survey", and the "LNPA Request for Proposals". I have attached these documents, along with a "Glossary of Terms and Abbreviations", "Past Performance Reference Questionnaire", and a status report letter from Commissioner Geoffrey G. Why, Massachusetts Department of Telecommunications and Cable, and SWG Tri-Chair, for further action by the FCC.
