RE: NANC Numbering Oversight Working Group Recommendation to  
Consolidate the NANPA and the PA Contracts

Dear Ms. Veach:

This is to advise the Federal Communications Commission that the North American Numbering Council ("NANG"), at its December 13, 2012 meeting, unanimously concurred with the recommendations of the Numbering Oversight Working Group that the FCC consider consolidating the North American Numbering Plan Administrator and of the Pooling Administrator contracts. Further information regarding this recommendation is contained in the attached November 28, 2012 letter from the Numbering Oversight Working Group ("NOWG") Tri-Chairs and the attached NOWG Report presented on December 13, 2012 to the NANG. Please feel free to contact me or the NOWG Co-Chairs: Laura Dalton, Verizon Communications ([laura.r.dalton@verizon.com](mailto:laura.r.dalton@verizon.com)), and Natalie McNamer, T-Mobile USA ([natalie.mcnamer@T-Mobile.com](mailto:natalie.mcnamer@T-Mobile.com)), if you or members of your staff have any questions regarding this NANG recommendation.

Sincerely,

Betty Ann Kane
