PURPOSE OF FORM

The FCC Form 472, Billed Entity Applicant Reimbursement (BEAR) Form is used by the Billed Entity that received a Funding Commitment Decision Letter (FCDL) from the fund administrator, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC), and filed an FCC Form 486, Receipt of Service Confirmation Form, indicating that the Billed Entity intended to submit to USAC an invoice for reimbursement of discounts on eligible services received on or after the effective date of discounts and already paid for by the applicant.

Completion of the BEAR Form is mandatory unless the Billed Entity and service provider have made their own, mutually agreed-upon arrangements for reimbursement or implementation of the discounts. If such an arrangement has been mutually agreed upon, reimbursement of the discounts can be achieved by submission of an FCC Form 474, Service Provider Invoice Form to the fund administrator, following the implementation of the discounts. The applicant should prepare and submit a BEAR Form to the fund administrator when ALL of the following conditions occur:

1. The applicant receives a FCDL from the fund administrator which approves discounts for services; AND
2. The applicant is already receiving or has received these services, and has already paid for the services, including the price of the discounts; AND
3. The applicant has filed an FCC Form 486; AND
4. The service provider has filed an FCC Form 473.

A Billed Entity will prepare a BEAR Form for the amount of the discounts associated with the services set forth in a specific Funding Request Number (FRN from the associated FCC Form 471 which the applicant has already received and paid for. If the applicant will be seeking reimbursement for services provided by more than one service provider, as designated by a Service Provider Identification Number (SPIN) in the applicant's FCC Form 486, the applicant will prepare a separate BEAR for each SPIN. The reimbursement period for each FRN will begin with the Funding Year Service Start Date reported by USAC in your FCC Form 486 Notification Letter.

On the BEAR Form, the service provider must sign an Acknowledgment that:

(1) The service provider must remit the discount amount authorized by the fund administrator to the Billed Entity who prepared and submitted this BEAR as soon as possible after the fund administrator's notification to the service provider of the amount of the approved discounts on this BEAR, but in no event later than 20 business days after receipt of the reimbursement payment from the fund administrator, subject to the restriction set forth in (2) below

(2) The service provider must remit payment of the approved discount amount to the Billed Entity prior to tendering or making use of the payment issued by the Universal Service Administrative Company to the service provider of the approved discounts for the BEAR.

Important Note: This Acknowledgment, which is Block 4 of the BEAR Form, must be submitted by the Billed Entity **as part of** the completed, entire BEAR Form to the fund administrator. If the BEAR Form is submitted without the signature of your service provider on the Acknowledgment, the BEAR will not be processed and it may be returned to you.

FILING REQUIREMENTS AND GENERAL INSTRUCTIONS

Who Must File?

The Billed Entity representing a school, library, library consortium, or consortium of multiple entities (hereinafter referred to as "school or library") who:

- (1) completed and submitted the FCC Form 471; **and**
- (2) filed the FCC Form 486; **and**
- (3) seeks to receive reimbursement for the discounts for services already received and paid for since the actual service start date

must submit this BEAR Form to the fund administrator. The Billed Entity must complete the BEAR Form and obtain the signature of the relevant service provider on the Service Provider Acknowledgment before sending the BEAR Form to the fund administrator.

Throughout these Instructions, the Billed Entity Applicant will be referred to as "applicant" or "you," the relevant service provider will be referred to as "your service provider," and the BEAR Form will be referred to as "BEAR" or "Form."

How Many BEARs to File at One Time?

You must submit a separate BEAR for each service provider with a separate Service Provider Identification Number (SPIN) whose services you have already received and paid for since your actual service start date. For each SPIN, your BEAR should contain information for each and every one of the multiple FRNs for services delivered by that service provider AND for which you have received your FCDL. Please be sure that each BEAR that you complete contains only one SPIN.

Examples

- You receive one FCDL (based on one FCC Form 471) that has five FRNs approved for discounts:
 - SPIN #111111111 is associated with three FRNs
 - SPIN #222222222 is associated with one FRN
 - SPIN #333333333 is associated with one FRN.

You can submit three BEARs: one listing all the FRNs associated with SPIN #111111111, and one each for SPIN

#22222222 and SPIN #33333333.

- You receive two FCDLs on the same date, based on two FCC Forms 471.
 - One letter approves discounts for two FRNs associated with SPIN #111111111.
 - The other letter approves discounts for three FRNs also associated with SPIN #111111111.

You can file just one BEAR listing all the FRNs associated with SPIN #111111111.

When to File?

The BEAR should be filed after you have received and paid for eligible services covered by your FCC Form(s) 471 and you have filed an FCC Form 486 for the pertinent FRNs approved in your FCDL.

You may submit the BEAR once a year for reimbursement of the discounts for non-recurring services for the entire year, or you may file more frequently (*e.g.*, quarterly, bimonthly, monthly) if that is more convenient.

NOTE: If USAC has adjusted your Funding Year Service Start Date, as reflected on your FCC Form 486 Notification Letter, USAC will not honor BEARs with recurring services dates in Column 12 or non-recurring services dates in Column 13 prior to that adjusted Funding Year Service Start Date.

Service Provider Annual Certification Form

The FCC Form 473 is used by the service provider to confirm that invoice forms submitted or approved by the service provider are completed in compliance with FCC rules governing the schools and libraries universal service support mechanism. The FCC Form 473 must be completed and submitted by the service provider prior to the applicant submitting its first invoice form to USAC. No invoices will be paid without an FCC Form 473 filed for the pertinent funding year. If your service provider has not done so already, please be sure to ask your service provider to complete and submit the FCC Form 473.

Where to File?

The BEAR can be filed either online or on paper.

- ***If you are filing online:*** You may complete, submit and certify the BEAR in the Apply Online section of our website. The system is designed so that once you make the appropriate certifications, the service provider featured is notified that the BEAR is available for their review and online certification or response to you. If you file a BEAR online, do not also mail a printed copy to USAC.

– OR –

- ***If you are filing on paper:*** **Do not staple the BEAR Form,** You may complete and submit the BEAR by filing a paper copy of the completed BEAR, including **BOTH** the completed and signed Block 3 AND Block 4 certification pages, with USAC.
