FCC ANNOUNCES SPEAKERS, AGENDA FOR M-HEALTH INNOVATION EXPO

Washington, D.C. – The innovative use of mobile communications devices to improve health care will be the subject of a public event hosted by the FCC's Consumer and Governmental Affairs Bureau (CGB) on Dec. 6.

The FCC mHealth Innovation Expo will bring together innovators and federal agencies to showcase mobile health products and solutions and provide resources for mobile health pioneers and entrepreneurs. The FCC is committed to accelerating the adoption of mobile healthcare technologies to improve health outcomes, lower healthcare costs, and improve health and healthcare for all Americans.
