Changes in the ROR TRP for 2014-2015:

Since the revenue requirements for switched access (end office and transport elements) are frozen, and the associated rates for these elements are capped and subject to the ICC phase down for the end office elements, lines 120-160 are no longer required on this tab. This information will be found on the ICC TRP forms.

Suggested Changes:

Since the revenue requirements for switched access (end office and transport elements) are frozen, and the associated rates for elements are capped and subject to the ICC phase down for the end office elements, lines 100-140 and 170-270 should no longer be required on this tab. This information will be found on the ICC TRP forms so listing it here is unnecessary.
