

Service Provider Handsets by Air Interface and HAC Rating
Reporting Period From: January 1, 2013 – December 31, 2013

Covered air interfaces are those for which manufacturers and service providers are required to comply with deployment benchmarks under existing rules. Deployment benchmarks for non-covered air interfaces will become effective for manufacturers and nationwide carriers on July 17, 2014, and for all other service providers on October 17, 2014.
