Re: Report No. NCD 2354; Report No. NCD 2353; Report No. NCD 2352; Report No. NCD 2351

Dear Ms. Dortch:

On June 11, 2014, Kathleen M. Grillo, Michael E. Glover, Chris Levendos and I from Verizon met with Commissioner Jessica Rosenworcel and Priscilla Delgado Argeris, legal advisor to Commissioner Rosenworcel and separately with Commissioner Michael O’Rielly and Amy Bender, legal advisor to Commissioner O’Rielly.

In the meetings we described the process we are using in the wire centers for which we have filed network modification notices to care for customers as we make the transition to fiber for the very small number of customers still on copper, including the provision of back up power. The discussions were consistent with prior submissions.¹

Pursuant to Section 1.1206 of the Commission’s rules, a copy of this notice is being electronically filed in the above-referenced docket. Please contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Maggi Mc Cready".
