2014 ANNUAL REPORT

Re: Annual Report of 95 License Subsidiary, LLC
Call Sign: S2795

Dear Ms. Dortch:

Pursuant to Section 25.210 of the Commission's Rules,¹ 95 License Subsidiary, LLC ("95 License"), a wholly owned subsidiary of Spectrum Five LLC ("Spectrum Five"),² submits this annual report regarding the S2795 space station with information current as of May 31, 2014.

On August 30, 2011, the Commission granted 95 License's application to launch and operate a geostationary satellite orbit space station in the 17/24 GHz Broadcast-Satellite Service (BSS) ("Reverse Band") at the 95.15° W.L orbital location.³ As required by its authorization, 95 License submitted a performance bond to the FCC on September 29, 2011. On August 30, 2012, 95 License submitted to the Commission a confidential copy of the satellite construction contract between its parent, Spectrum Five, and Space Systems/Loral, Inc. ("SS/L") for the satellite. On May 10, 2013, at the request of the International Bureau, 95 License submitted (along with a request for confidential treatment) full copies of all exhibits to the construction contract. On August 30, 2013, 95 License submitted the final critical design review ("CDR") package that
