Re: Report No. NCD 2354; Report No. NCD 2353; Report No. NCD 2365; Report No. NCD 2372; Report No. NCD 2373;

Dear Ms. Dortch:

On July 17, 2014, Kathleen M. Grillo, William H. Johnson, Chris Levendos and I from Verizon met separately with Daniel Alvarez, Legal Advisor to Chairman Wheeler; Commissioner Mignon Clyburn and Rebekah Goodheart, legal advisor to Commissioner Clyburn; and with Commissioner Ajit Pai and Nicholas Degani, legal advisor to Commissioner Pai.

In the meetings we described the process we are using in the wire centers for which we have filed network modification notices to care for customers as we make the transition to fiber for the very small number of customers still on copper, including the provision of back up power. The discussions were consistent with prior submissions.¹

Pursuant to Section 1.1206 of the Commission's rules, a copy of this notice is being electronically filed in the above-referenced docket. Please contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Maggie McCreedy".
