## **FCC CHAIRMAN TOM WHEELER STATEMENT ON TIME WARNER CABLE'S AGREEMENT WITH KDOC TO BROADCAST DODGER GAMES**

Washington, D.C. – Today Time Warner Cable announced an agreement to broadcast the final week of Dodger games on independent broadcast station KDOC. The following statement can be attributed to FCC Chairman Tom Wheeler.

“I’m pleased that now all Dodger fans will be able to join the excitement of watching the final regular season games in advance of the playoff race. The leadership of Representative Cárdenas and Mayor Garcetti kept this issue in the forefront and the FCC will continue to go to bat for consumers in resolving programming disputes. We hope that long-term agreements will be the next step and can be achieved quickly without depriving fans of any regular season games next year.”
