(“TWC”) submitted joint applications to the Commission seeking consent to transfer control of various Commission licenses and other authorizations pursuant to Sections 214 and 310(d) of the Communications Act of 1934, as amended (“Act”).<sup>1</sup> On June 4, 2014, Comcast, Charter Communications, Inc. Therein, we noted that, if necessary, we would follow up with additional requests for information and documents. By this letter, we hereby request that TWC provide such information and documents, as specified in the enclosed Second Information and Data Request.

Accordingly, pursuant to Section 308(b) of the Act,<sup>3</sup> we request that the TWC provide written responses and supporting documentation for each request set forth in the enclosed Second Information and Data Request and, where appropriate, amend the applications to reflect such responses. We would appreciate receiving your responses no later than **Thursday, February 5, 2015**. Information, data and documents called for by the requests, as well as narrative responses, should be grouped based on the request to which they are responsive and each page should be marked with corporate identification and consecutive document control numbers as specified in the attached instructions.
