Dear Mr. Schwartz:

On April 8, 2014, Comcast Corporation (“Comcast”) and Time Warner Cable Inc. (“TWC”) submitted joint applications to the Commission seeking consent to transfer control of various Commission licenses and other authorizations pursuant to Sections 214 and 310(d) of the Communications Act of 1934, as amended (“Act”).<sup>1</sup> The proposed Comcast-TWC transfers, if completed, would effectuate the sale of certain cable systems and assets of TWC and its affiliates and related entities to subsidiaries or affiliates of Comcast. On June 4, 2014, Comcast, Charter Communications, Inc. (“Charter”), and SpinCo (collectively, the “Divestiture Applicants”) filed transfer applications pursuant to Sections 214 and 310(d) of the Act to effectuate a series of transactions between Comcast and Charter (collectively, the “Divestiture Transactions”).<sup>2</sup>

In order for the Commission to complete its review of the applications and make the necessary public interest findings under section 310(d) of the Communications Act, we require information and data from other third parties who have business arrangements with the Applicants. Accordingly, pursuant to sections 4(i), 4(j), and 403 of the Act, we request that Univision Communications Inc. provide written responses no later than **March 13, 2015** to the information requests set forth in the Attachments. Your response will be subject to the Second Amended Modified Joint Protective Order issued in MB Docket No. 14-57, and the Order
