

Second Information and Data Request to AT&T, Inc.

7. For each channel of Video Programming the Company distributes, including regionally distributed programming such as RSNs, in addition to nationally-distributed programming, separately for each month from January 1, 2012 to June 30, 2014, state and provide in CSV:

- a. the name of the channel;
- b. the number of the Company's subscribers whose MVPD programming packages include the channel; and
- c. the total and per subscriber fee paid by the Company for the channel.

8. For each DMA in which the Company provides MVPD Service, for each local broadcast television station that the Company carries, separately for each month from January 1, 2012 to June 30, 2014, state and provide in CSV or Excel format:

- a. the name and network affiliation of the local television station;
- b. the number of the Company's subscribers whose MVPD Video Programming packages include the channel; and
- c. the total and per subscriber retransmission consent fee paid by the Company to the local broadcast television station.

9. Provide the Company's data as requested in Attachment A, which seeks data relating to the Company's Transit and Interconnection services. Additionally, add a field that provides, for each month for the period beginning January, 2009, and ending December, 2014, a measure of the 95th percentile of utilization that either was or would be used for the purposes of billing and explain how this 95th percentile measurement is calculated.

10. For the period beginning January 1, 2012, through the date of this Request, produce one copy of all agreements between the Company and any other Persons that contain provisions relating to On-Net Only Interconnection Service.

Definitions

The following definitions apply only to this Information Request. They are not intended to set or modify precedent outside the context of this document. In this Information Request, the following terms shall have the following meanings (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

1. The terms "the Company," or "AT&T" means AT&T, Inc., its domestic and foreign parents, predecessors, divisions, subsidiaries, affiliates, partnerships and joint ventures,

and all directors, officers, employees, agents, and representatives of the foregoing. The terms “affiliate,” and “joint venture” refer to any Person in which there is partial (25 percent or more) or total ownership or control between the Company and any other Person.

2. The terms “and” and “or” have both conjunctive and disjunctive meanings.

3. The word “any” shall be construed to include the word “all,” and the word “all” shall be construed to include the word “any.” The word “each” shall be construed to include the word “every,” and the word “every” shall be construed to include the word “each.” All words used in the singular should be construed to include the plural, and all words used in the plural should be construed to include the singular.

4. The term “Designated Market Area” or “DMA” means unique, county-based geographic areas designated by The Nielsen Company.

5. The term “Interconnection” means the linking together of interoperable systems, and the linkage used to join two or more communications units, such as systems, networks, links, nodes, equipment, circuits and devices.

6. The term “Multichannel Video Programming Distributor” or “MVPD” means an entity, including but not limited to, a cable operator, or DBS operator that is engaged in the business of making available for purchase, by subscribers or customers, multiple channels of Video Programming.

7. The term “MVPD Service” means the distribution of Video Programming or Online Video Programming by an MVPD to consumers, including but not limited to, distribution as part of a programming package or tier or on an individual basis, and distribution as part of TV Everywhere or Specialized Services, regardless of whether such programming is distributed inside or outside of the MVPD’s footprint.

8. The term “On-Net Only Interconnection Services” means the service by which AS7018 provides access to only its customers to another ASN for a commercially negotiated settlement.

9. The term “Person” includes the Company, and means any individual, partnership, corporation (including a business trust), joint stock company, trust, unincorporated association, joint venture, limited liability company or other entity, or a government or any political subdivision or agency thereof.

10. The term “Regional Sports Network” or “RSN” means any Programming Network that (i) provides live or same-day distribution within a limited geographic region of sporting events of a 30 U.S. professional or college sports team or league and (ii) in any year, carries a minimum of either 100 hours of programming that meets the criteria of subheading (1), or 10% of the regular season games of at least one sports team that meets the criteria of subheading (i).

11. The term “Video Programming” means programming provided by, or generally considered comparable to programming provided by, a television broadcast station or cable network, regardless of the medium or method used for distribution, and includes but is not limited to: programming prescheduled by the programming provider (also known as scheduled programming or a linear feed); programming offered to viewers on an on-demand, point-to-point basis (also known as VOD or PPV); short programming segments (also known as clips); programming that includes multiple video sources (also known as feeds, including camera angles); programming that includes video in different qualities or formats (including high-definition, 3D and 4K); and films.

Instructions

The Instructions contained in the Information and Data Request issued to the Company on October 7, 2014 are incorporated herein by reference and shall be applicable to the this Second Information and Data Request.
