Transfer of Control  
**Current Licensee:** O3b Limited  
**FROM:** O3b Networks Limited

SES S.A. and O3b Networks Limited, the wholly owning parent of O3b Limited, have notified the Commission of the planned increase of SES's ownership interest in O3b Networks to a majority equity and voting interest--from 49.14 percent of the shares of O3b Networks to at least 50.5 percent of its shares. The parties request Commission review of the transaction regarding the grant of U.S. market access for the O3b satellite constellation. We therefore seek comment on whether the proposed transaction affects any of the considerations taken into account when O3b Limited was allowed to enter the U.S. market.
