

FEDERAL COMMUNICATIONS COMMISSION  
WASHINGTON

OFFICE OF  
THE CHAIRMAN

July 22, 2016

The Honorable Mimi Walters  
U.S. House of Representatives  
236 Cannon House Office Building  
Washington, D.C. 20515

Dear Congresswoman Walters:

Thank you for your letter urging the Commission to take prompt action in response to a petition by Gerawan Farming Inc. ("Gerawan") concerning an application of Cesar Chavez Foundation ("CCF") to renew KUFW (FM)'s broadcast license.

By way of background, on July 23, 2013, CCF filed an application to renew the license of its noncommercial radio station KUFW (FM), located in Woodlake, California. On October 31, 2013, Gerawan filed a petition to deny this renewal, alleging that CCF violated Section 309(d) of the Communications Act of 1934, as amended, and Section 73.503(d) of the Commission's rules by regularly broadcasting advertisements on the station. On December 12, 2013, CCF filed an opposition to the petition. Since then, Gerawan has filed five supplements to its petition, the latest of which was filed on May 24, 2016.

While I cannot discuss any details regarding this proceeding, I want to assure you that it is being actively worked on by Commission staff in the Media Bureau's Audio Division. Staff is reasonably confident that an Order will be forthcoming later this year.

Because this is a contested matter, the proceeding is "restricted" under the Commission's *ex parte* rules. Under these rules, all written communications to Commission personnel addressing the merits of the issue in a restricted proceeding must be served on all parties involved in the proceeding. Because of this, copies of your correspondence and this response will be provided to CCF. Additionally, your correspondence will be added to the record in this proceeding and will be considered when coming to a decision regarding the pending matter. Anyone who wishes to further address this matter through written communications must indicate that they have provided CCF with notice of that written communication.

Again, I appreciate your interest in this matter. Your views are very important and I appreciate you bringing this to my attention. Please let me know if I can be of any further assistance.

Sincerely,
