**STATEMENT OF COMMISSIONER MICHAEL O'RIELLY  
ON PROCESS REFORM ANNOUNCEMENTS**

WASHINGTON, February 7, 2017. — I appreciate the Chairman's quick attention to the "own your edits" idea that many of us have pushed to be adopted, as it will provide better transparency as we negotiate our items. I also support Commissioner Clyburn's suggestion on making summaries available for items that have been made public. While both relatively small fixes, this bodes well for the new Commission's ability to work together to get our processes into better shape.
