**STATEMENT OF COMMISSIONER MICHAEL O’RIELLY
ON COURT REJECTION OF FCC ANDA ORDER**

WASHINGTON, March 31, 2017. — “The D.C. Circuit decision overturning the *Anda Order* reconfirms the proper and appropriate reading of the law. It also signals that the court is willing to call the Commission to task for inappropriately creating authority not provided by Congress. I can only hope this view will be applied elsewhere, such as in the court's other case involving TCPA overreach.”
