East Orange, New Jersey

**NOTICE OF UNLICENSED OPERATION**

Case Number: EB-FIELDNER-17-00023854

The New York Office received a complaint of an unlicensed FM station operating on the frequency 94.3 MHz in East Orange, New Jersey. On March 21, 2017, an agent from the New York Office confirmed by direction finding techniques that radio signals on frequency 94.3 MHz were emanating from 115 Halsted Street, East Orange, New Jersey. The Commission's records show no license issued for operation of a radio station on 94.3 MHz at this location in East Orange, New Jersey.

Radio stations operating on many frequencies, including 94.3 MHz, must be licensed by the FCC pursuant to 47 U.S.C. § 301. The only exception to this licensing requirement is for certain transmitters using or operating at a power level or mode of operation that complies with the standards established in Part 15 of the Commission's rules, 47 CFR §§ 15.1 *et seq.* The field strength of the signal on frequency 94.3 MHz was measured at 6,034 microvolts per meter ( $\mu\text{V}/\text{m}$ ) at 852.48 meters, which exceeded the maximum permitted level of 250  $\mu\text{V}/\text{m}$  at 3 meters for non-licensed devices. Thus, this station is operating in violation of 47 U.S.C. § 301.

You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and could subject the operator to severe penalties, including, but not limited to, substantial monetary fines, *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment. (See 47 U.S.C. §§ 401, 501, 503 and 510.)

**UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.**

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the FCC. Your response should be sent to the address in the letterhead and reference the listed case number. Under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.

David C. Dombrowski  
Regional Director  
Region One  
Enforcement Bureau
