ENFORCEMENT BUREAU
REGION TWO**

Atlanta Regional Office
3600 Hiram Lithia Springs Rd SW
Powder Springs, GA 30127

August 11, 2017

Audrian White
North Lauderdale, Florida

NOTICE OF UNLICENSED OPERATION

Case Number: EB-FIELDSCR-17-00024377

On June 15 and July 18, 2017, Agents from the Miami Office (Miami Office) of the Federal Communications Commission's (FCC's or Commission's) Enforcement Bureau (Bureau) confirmed by direction finding techniques that radio signals on frequency 101.1 MHz were emanating from a residential property on SW 5th Ct. in North Lauderdale, Florida. Public records list you as the property owner. The Commission's records show that no license was issued for operation of a radio station at this location on 101.1 MHz in North Lauderdale, Florida.

Radio stations operating on a range of frequencies,¹ including 101.1 MHz, must be licensed by the FCC pursuant to Section 301 of the Communications Act of 1934, as amended (Act).² The only exception to this licensing requirement is for certain transmitters using or operating at a power level that complies with the standards established in Part 15 of the Commission's rules.³ On June 15 and July 18, 2017, the field strength of the signal on frequency 101.1 MHz exceeded the maximum permitted level of 250 microvolts per meter ($\mu\text{V}/\text{m}$) at 3 meters for non-licensed devices. Thus, this station was operating in violation of Section 301 of the Act.⁴

You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and could subject the operator to severe penalties, including, but not limited to, substantial monetary fines, *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment.⁵

¹ 47 CFR § 73.201.

² 47 U.S.C. § 301.

³ 47 CFR §§ 15.1 *et seq.*

⁴ 47 U.S.C. § 301.

⁵ *See* 47 U.S.C. §§ 401, 501, 503 and 510.

UNLICENSED OPERATION OF THIS RADIO STATION MUST NOT RESUME.

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the FCC. Your response should be sent to the address in the letterhead and reference the listed case and document number. Under the Privacy Act of 1974,⁶ we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.

Ronald D. Ramage
