**STATEMENT OF COMMISSIONER MICHAEL O'RIELLY ON
FCC REAUTHORIZATION MARK-UP**

WASHINGTON, October 11, 2017. -- "I applaud the Subcommittee on its mark-up of the FCC Reauthorization Act. This legislation codifies key process reforms Chairman Pai and I have championed and that have been adopted into our daily procedures at the Commission. Making these permanent will ensure certainty and transparency to the agency for the future. I look forward to working with the Committee on additional items to further strengthen FCC process and on other key issues."
