NOTICE OF UNLICENSED OPERATION

Case Number: EB-FIELDSCR-17-00025286

On September 19 and 28, and October 25 and 26, 2017, Agents from the Miami Office of the Federal Communications Commission's (FCC's or Commission's) Enforcement Bureau (Bureau) confirmed by direction finding techniques that radio signals on frequency 98.5 MHz were emanating from a residential property located on 44th St. in Pompano Beach, Florida. Florida property records indicate that you are the owner of this property. On October 26, 2017, Miami agents, escorted by a household member, inspected the backyard of the premises where they observed an FM transmitting antenna mounted in a tree, and an antenna coaxial cable leading from the antenna into a small locked enclosure in the backyard where the transmitter was located. The Commission's records show that no license was issued for operation of a radio station at this location on 98.5 MHz in Pompano Beach, Florida.

Radio stations operating on a range of frequencies,¹ including 98.5 MHz, must be licensed by the FCC pursuant to Section 301 of the Communications Act of 1934, as amended (Act).² The only exception to this licensing requirement is for certain transmitters using or operating at a power level that complies with the standards established in Part 15 of the Commission's rules.³ On September 19 and October 25, 2017, Agents made field strength measurements of the signal on frequency 98.5 MHz which exceeded the maximum permitted level of 250 microvolts per meter ($\mu\text{V}/\text{m}$) at 3 meters for non-licensed devices. Thus, this station is operating in violation of Section 301 of the Act.⁴

You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and will subject the operator to severe penalties, including, but not limited to, *in rem* seizure of the offending radio

³ 47 CFR §§ 15.1 *et seq.*

equipment without further notice, substantial fines, and criminal sanctions including imprisonment.⁵

UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY AND MUST NOT RESUME.
