December 14, 2017

The Music Box Village and Taylor Shephard
New Orleans, Louisiana

NOTICE OF UNLICENSED OPERATION

Case Number: EB-FIELDSCR-17-00025418

On October 19 and 20, 2017, an Agent from the New Orleans Office (New Orleans Office) of the Federal Communications Commission's (FCC's or Commission's) Enforcement Bureau (Bureau) responded to a complaint of an unlicensed FM station operating on the frequency 87.9 MHz in New Orleans, Louisiana. The Agent confirmed by direction finding techniques that radio signals on frequency 87.9 MHz were emanating from The Music Box Village located at 4557 N Rampart St., New Orleans, Louisiana. The Commission's records show that no license was issued for operation of a radio station on 87.9 MHz at this location in New Orleans, Louisiana. The New Orleans Office investigated and determined you are the owner or operator of the unlicensed FM station on 87.9 MHz.

Radio stations operating on a range of frequencies,¹ including 87.9 MHz, must be licensed by the FCC pursuant to Section 301 of the Communications Act of 1934, as amended (Act).² The only exception to this licensing requirement is for certain transmitters using or operating at a power level or mode of operation that complies with the standards established in Part 15 of the Commission's rules.³ On October 19, 2017, the field strength of the signal on frequency 87.9 MHz exceeded the maximum permitted level of 100 microvolts per meter ($\mu\text{V}/\text{m}$) at 3 meters for non-licensed devices operating in the band 30-88 MHz.⁴ Thus, this station is operating in violation of Section 301 of the Act.⁵

¹ 47 CFR § 73.603.

² 47 U.S.C. § 301.

³ 47 CFR §§ 15.1 *et seq.*

⁴ 47 CFR §§ 15.209.

⁵ 47 U.S.C. § 301.

You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and could subject the operator to severe penalties, including, but not limited to, substantial monetary fines, *in rem* arrest action against the offending radio equipment, and criminal sanctions, including imprisonment.⁶

UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the FCC. Your response should be sent to the address in the letterhead and reference the listed case number. Under the Privacy Act of 1974,⁷ we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.

Ronald D. Ramage
Regional Director
Region Two
Enforcement Bureau
