Re: Borough of Pompton Lakes  
FCC Registration #0013875166

Dear Chairman Pai:

I am writing on behalf of the Borough of Pompton Lakes, New Jersey, which submitted an application to the Federal Communications Commission (FCC) for authority to construct its FM Translator Station.

The Borough recently approved the establishment of an FM Station and enhancements of its public communications system are currently underway. I strongly support the objectives outlined by the Borough and urge you to give their application every consideration.

Thank you for your time and attention. I look forward to your response.

Sincerely,
