Unless otherwise specified, the following procedures apply to the applications listed below:

The international Section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications are for authority under Section 214 of the Communications Act, 47 U.S.C. § 214(a), to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier.

Pursuant to Section 63.12 of the rules, these Section 214 applications will be granted 14 days after the date of this public notice (see 47 C.F.R. § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. Pursuant to Section 1.1910(b)(2) of the rules, action will be withheld on any application by any entity found to be delinquent in its debts to the Commission. Applicants should check the Red Light Display System's website at www.fcc.gov/redlight to determine if they are delinquent in a debt to the Commission and for information on how to pay the debt.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.

Transfer of Control

Current Licensee: Mitel Cloud Services, Inc.

FROM: Mitel Networks Corporation

TO: MLN TopCo, Ltd.

Application filed for consent to the transfer of control of Mitel Cloud Services, Inc. (MCSI), which holds international section 214 authorization ITC-214-19920731-00066, from Mitel Networks Corporation (Mitel) to MLN TopCo, Ltd. (TopCo). Pursuant to an April 23, 2018 Arrangement Agreement, MLN AcquisitionCo ULC (MLN), a wholly-owned subsidiary of TopCo formed to effectuate this transaction, will acquire all of the shares of Mitel in an all-cash transaction, including Mitel's net debt. Mitel and MLN will subsequently amalgamate under Canadian law to form a new combined entity, Mitel Networks ULC (New Mitel), a British Columbia entity. The shares in Mitel's U.S. subsidiaries will be transferred from New Mitel to MLN US HoldCo LLC (US HoldCo), a Delaware limited liability company, through a series of steps. As a result, MCSI will become a wholly-owned indirect subsidiary of TopCo through a number of intermediate holding companies.

TopCo is a wholly-owned subsidiary of Searchlight II MLN, L.P. (Searchlight), a private equity investment group. Upon consummation, the following Cayman Islands entities will hold ten percent or greater direct or indirect ownership interests in Master Aggregator LP and, thus, will hold an indirect equity and/or voting interest in MCSI: Searchlight Capital II, L.P. (100% indirect voting; 24.49% indirect equity of MCSI); Searchlight Capital II PV, L.P. (100% indirect voting; 15.87% indirect equity of MCSI); Searchlight II MLN (CD), L.P. (26% indirect equity in MCSI as a 26% limited partner of Aggregator LP); and Searchlight Capital II MLN Co-invest Partners, L.P. (100% indirect equity interest in MCSI as a 74% limited partner of Aggregator LP). Applicants state that the general partner of Master Aggregator LP is Searchlight Capital Partners II GP, L.P., also a Cayman Islands entity, which, in turn, is controlled by Searchlight Capital Partners II GP, LLC (Searchlight GP, LLC), a Delaware limited liability company. Eric Zinterhofer, a U.S. citizen, Erol Uzumeri, a Canadian citizen, and Oliver Haarmann, a German citizen, each hold a 33% indirect interest in MCSI as a result of their 33% membership interest in Searchlight GP, LLC. The following entities will have a 10 percent or greater indirect equity interest in TopCo by virtue of their limited partnership interests in the Searchlight entities: PSP Investments, a Canadian public pension plan (26% indirect interest in MCSI); Canadian Pension Plan Investment Board, a Canadian public pension plan (50% indirect interest in MCSI), and British Columbia Investment Management Corporation, a Canadian public pension plan (36% indirect interest in MCSI).
