ERRATUM

Released: December 12, 2018

By the General Counsel:

On November 29, 2018, the Commission released a Memorandum Opinion and Order, FCC 18-168, in the above-captioned proceeding. This Erratum amends the Memorandum Opinion and Order as indicated below:

1. In Paragraph 56, the next-to-last sentence is corrected to read as: “Finally, we refer to the Enforcement Bureau questions concerning Havens’s basic character qualifications.”

2. In Paragraph 79, the second sentence is corrected to read as: “These denials spawned 12 years of appeals by Havens and resulted in no fewer than 15 Commission and Wireless Telecommunications Bureau (Wireless Bureau) orders, nearly half of which stemmed from a single Bureau decision dismissing a petition for reconsideration as late filed.”
