Unless otherwise specified, the following procedures apply to the applications listed below:

The international Section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications are for authority under Section 214 of the Communications Act, 47 U.S.C. § 214(a), to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier.

Pursuant to Section 63.12 of the rules, these Section 214 applications will be granted 14 days after the date of this public notice (see 47 C.F.R. § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. Pursuant to Section 1.1910(b)(2) of the rules, action will be withheld on any application by any entity found to be delinquent in its debts to the Commission. Applicants should check the Red Light Display System's website at www.fcc.gov/redlight to determine if they are delinquent in a debt to the Commission and for information on how to pay the debt.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.

Application filed for consent to the transfer of control of Metro Optical Solutions Inc. Pursuant to a February 15, 2019 Membership Interest Purchase Agreement, MBS Intermediate Holdings, LLC (MBS Intermediate Holdings), a wholly owned U.S. subsidiary of MBS Holdings, will acquire 100% of the equity and voting interests in Metro Optical. Metro Optical and Metro Holdings are affiliates that are both 100% owned by Andrew Hornig. To facilitate the transaction, prior to closing, Mr. Hornig will contribute 100% of the outstanding shares of capital stock of Metro Optical to Metro Holdings, resulting in Metro Holdings becoming the sole stockholder of Metro Optical. At closing, Mr. Hornig will cause Metro Holdings to contribute a portion of the issued and outstanding membership interests of Metro Optical to MBS Holdings' ultimate parent company, Castle Holding Company, LLC (Castle Holding), in exchange for units of ownership interests in Castle Parent that will be held by Mr. Hornig, and MBS Intermediate Holdings will acquire the remaining issued and outstanding membership interests of Metro Optical from Metro Holdings. As a result, Metro Optical will become a wholly-owned direct subsidiary of MBS Intermediate Holdings and a wholly-owned indirect subsidiary of MBS Holdings. Metro Optical's existing management team, including Mr. Hornig, will continue to actively manage the day-to-day operations of Metro Optical following completion of the proposed transaction.

Upon consummation, the following will hold 10% or greater direct and indirect ownership interests in MBS Holdings: Direct 100% - Castle Intermediate Holdings, Inc., a Delaware entity that is wholly owned by Castle Holding, a Delaware limited liability company.
