Unless otherwise specified, the following procedures apply to the applications listed below:

The international Section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications are for authority under Section 214 of the Communications Act, 47 U.S.C. § 214(a), to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier.

Pursuant to Section 63.12 of the rules, these Section 214 applications will be granted 14 days after the date of this public notice (see 47 C.F.R. § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. Pursuant to Section 1.1910(b)(2) of the rules, action will be withheld on any application by any entity found to be delinquent in its debts to the Commission. Applicants should check the Red Light Display System's website at www.fcc.gov/redlight to determine if they are delinquent in a debt to the Commission and for information on how to pay the debt.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.

Current Licensee: DCT Telecom Group, Inc.**FROM:** Anthony F Romano**TO:** MBS Holdings, Inc.

Application filed for consent to the transfer of control of DCT Telecom Group, Inc. (DCT), which holds international section 214 authorization ITC-214-20061219-00577, from Anthony F. Romano, Jr. (50% ownership interest) and Joseph Anthony Rehak (50% ownership interest), to MBS Holdings, Inc. (MBS Holdings). Pursuant to a Stock Purchase Agreement executed on April 13, 2019, MBS Intermediate Holdings, LLC (MBS Intermediate), a wholly owned subsidiary of MBS Holdings, will acquire 100% of the outstanding membership interests of DCT. Immediately prior to the closing, Messrs. Romano and Rehak will contribute their shares of DCT to DCT Telecom Group Holdings, Inc. (DCT Holdings), a newly formed Ohio corporation, in exchange for each receiving 50% of the outstanding shares of DCT Holdings. As a result, DCT will become a wholly owned direct subsidiary of DCT Holdings and Messrs. Romano and Rehak will collectively indirectly hold 100% of the stock of DCT through their ownership of DCT Holdings. Upon completion of the restructuring, but prior to the closing of the transaction, DCT will convert from a corporation to an Ohio limited liability company. Following the conversion of DCT to a limited liability company, MBS Intermediate will acquire 100% of the outstanding membership interests of DCT Telecom Group, LLC.

MBS Holdings, a Delaware limited liability company, is a wholly owned subsidiary of Castle Intermediate Holdings, Inc. which is a wholly owned subsidiary of Castle Holding Company (Castle Parent), both Delaware entities. Castle Parent is owned by CSC Castle Holdings, L.P. (CSC Castle Aggregator) (87.57% equity and voting interests), members of MBS Holdings management and other investors in Castle Parent. CSC Castle Aggregator is an investment holding company formed by Court Square to hold the aggregate equity investments of the Court Square managed investment funds (Funds) in Castle Parent. The Funds directly hold 100% of the limited partnership interests in CSC Castle Aggregator. Court Square Capital Partners III, L.P. CSC Fund III holds 96.83% of the limited partnership interests in Castle Aggregator. Each Fund and CSC Castle Aggregator are controlled and managed by their sole general partner, Court Square Capital GP III, LLC (GP), which is owned by the investment professionals at Court Square, and managed and controlled by a Board of Managers (Board) composed of the following members of the GP: William Comfort, David Thomas, Michael Delaney, Joseph Silvestri, Ian Highet, John Weber, Christopher Bloise and Thomas McWilliams. No other entity or individual will hold individually or in the aggregate a ten percent or greater direct or indirect equity or voting interest in MBS Holdings, MBS Intermediate Holdings or in DCT.
