ERRATUM

Released: October 23, 2019

By the Chief, Wireless Telecommunications Bureau:

On October 8, 2019, the Wireless Telecommunications Bureau released an Order, DA 19-1024, in the above-captioned proceeding. This Erratum amends the Order by adding paragraph 5 to read as follows:

“5. The Bureau has determined, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget, concurs that these rules are major under the Congressional Review Act, 5 U.S.C. § 804(2). The Bureau will send a copy of this Order to Congress and the Government Accountability Office pursuant to 5 U.S.C. § 801(a)(1)(A). The Bureau finds good cause to make this rule effective earlier than 60 days after the Order is submitted to Congress and the Government Accountability Office, pursuant to 5 U.S.C. § 808(2), because this ministerial order merely implements the mandate of the United States Court of Appeals for the District of Columbia Circuit, and the Commission lacks discretion to depart from this mandate.”
