Streamlined International Applications Accepted For Filing

Section 214 Applications (47 C.F.R. §§ 63.18, 63.24); Section 310(b) Petitions (47 C.F.R. § 1.5000)

Unless otherwise specified, the following procedures apply to the applications listed below:

The international Section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications are for authority under Section 214 of the Communications Act, 47 U.S.C. § 214(a), to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier.

Pursuant to Section 63.12 of the rules, these Section 214 applications will be granted 14 days after the date of this public notice (see 47 C.F.R. § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. Pursuant to Section 1.1910(b)(2) of the rules, action will be withheld on any application by any entity found to be delinquent in its debts to the Commission. Applicants should check the Red Light Display System's website at www.fcc.gov/redlight to determine if they are delinquent in a debt to the Commission and for information on how to pay the debt.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.

Transfer of Control

Current Licensee: ITC GLOBAL NETWORKS LLC**FROM:** Estate of William D George II**TO:** Patricia Stewart

Application filed for consent to the transfer of control of ITC Global Networks, LLC (ITC Global), owned by Ironton Telephone Company (ITC), a small, private, non-publicly traded family owned Pennsylvania corporation, from the Estates of William D. George II (Bill George) who passed away in 2017, and Allen M. George Jr. (Allen George), who passed away in 2018 (together Estates), to their sister Patricia Stewart, President of ITC (Ms. Stewart). ITC Global holds international section 214 authorization, ITC-214-20130416-00106. Currently, Ms. Stewart owns 7.52 % interest in ITC. Ms. Stewart proposes to acquire 50.48% voting common stock through a combination of steps which includes Ms. Stewart's purchase of stock from the Estates of her brothers Bill George and Allen George and ITC's plan to purchase and redeem shares of the Estates. When ITC redeems the Estates' voting shares, all remaining ITC shareholders, including Ms. Stewart, all of whom are U.S. citizens, will have proportionately higher ownership interests. Upon closing of the transactions, Ms. Stewart is expected to hold 50.48% interest in ITC and indirect control of ITC Global through her majority interest in ITC.
