Dear Commissioner O'Reilly:

I am writing in response to your letter dated February 3, 2020. Your request for 9-1-1 information and the required reporting is well understood. Attached to this letter is an updated reporting form for the 2018 calendar year. You will note, our situation as it pertains to 9-1-1 fees has not changed.

This form is being provided to comply with your personal request and the FCC requirement. There are no 9-1-1 fees collected in American Samoa and thus no funds to divert. Our 9-1-1 system is fully funded by our general fund and budgeted by the Department of Public Safety.

The delay in providing this information is regrettable but is due in part to significant staff turnover. Your patience and consideration of this situation is much appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Lolo M. Moliga".

Lolo M. Moliga
Governor
