## **Streamlined International Applications Accepted For Filing**

### **Section 214 Applications (47 C.F.R. §§ 63.18, 63.24); Section 310(b) Petitions (47 C.F.R. § 1.5000)**

Unless otherwise specified, the following procedures apply to the applications listed below:

The international Section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications are for authority under Section 214 of the Communications Act, 47 U.S.C. § 214(a), to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier.

Pursuant to Section 63.12 of the rules, these Section 214 applications will be granted 14 days after the date of this public notice (see 47 C.F.R. § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. Pursuant to Section 1.1910(b)(2) of the rules, action will be withheld on any application by any entity found to be delinquent in its debts to the Commission. Applicants should check the Red Light Display System's website at [www.fcc.gov/redlight](http://www.fcc.gov/redlight) to determine if they are delinquent in a debt to the Commission and for information on how to pay the debt.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.

People with Disabilities: To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an e-mail to [fcc504@fcc.gov](mailto:fcc504@fcc.gov) or call the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice), 1-888-835-5322 (tty). All applications listed are subject to further consideration and review, and may be returned and/or dismissed if not found to be in accordance with the Commission's rules, regulations, and other requirements.

We request that comments on any of these applications refer to the application file number shown below.

AT&T Mobility Puerto Rico Inc.

Modification

Application to modify international section 214 authorization ITC-214-19980430-00923 by removing AT&T Mobility Puerto Rico Inc. (AMPR) as one of the co-holders of the authorization. The authorization is for overseas cable construction for the Americas-II cable system that connects Florida, Puerto Rico, the U.S. Virgin Islands, Martinique, Curacao, Trinidad, Venezuela, French Guiana, and Brazil and is operated on a common carrier basis.

AMPR states that it no longer holds any interest in Americas-II. It explains that although it held two percent voting and ownership interests in Americas-II, on October 4, 2013 it conveyed its rights and obligations under the Americas-II Cable System Construction and Maintenance Agreement to AT&T Corp., its affiliate company. Both AMPR and AT&T Corp. (a co-authorization holder on ITC-214-19980430-00923) are wholly owned by AT&T Inc.

AT&T Inc. has agreed to sell AMPR to Liberty Latin America Ltd. See Liberty Latin America Ltd. And AT&T Inc. Seek FCC Consent To The Transfer Of Control Of The Licenses, Authorizations, And Spectrum Lease Held By AT&T Mobility Puerto Rico Inc. And AT&T Mobility USVI Inc. To Liberty Latin America Ltd., WT Docket No. 19-384, Pleading Cycle Established, Public Notice, 34 FCC Rcd 12502 (WTB/WCB/IB 2019). Since AMPR will not be affiliated with AT&T Corp. once that transaction closes, AMPR has decided to be removed as an authorization holder for the international 214 for Americas-II. AMPR has also filed an application to relinquish its interest in the cable landing license for the Americas-II cable, SCL-LIC-19980429-00019 (Old File No. SCL-98-003). See SCL-MOD-20191202-00038.
