

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

OFFICE OF
THE CHAIRMAN

February 24, 2020

The Honorable Ron Wyden
United States Senate
221 Dirksen Senate Office Building
Washington, D.C. 20510

Dear Senator Wyden:

Thank you for your letter regarding Lake County Education Service District's (Lake County's) request for waiver of the E-Rate program's rules. Specifically, Lake County requested a waiver of the service implementation deadline for a funding year 2017 special construction funding request.

I am pleased to inform you that on May 31, 2019, the Commission's Wireline Competition Bureau granted Lake County's waiver request, finding that the school district was unable to complete implementation for reasons beyond its control and made good faith efforts to comply with Commission rules and procedures. Accordingly, the Bureau directed the E-Rate program administrator, the Universal Service Administrative Company, to set a new service delivery deadline of June 30, 2020, and adjust any associated administrative or procedural deadlines.

Please let me know if I can be of any further assistance.

Sincerely,
