Washington, DC 20554  
Att: Carmell Weathers  
Wireline Competition Bureau

Subject: Network Notification No. 138

**Short Term Public Notice Under Rule 51.333(a)  
(Less than 6 months notice)**

Re: Consolidated Communications of Washington Public Notice of Network Changes and Certification Under Rules 51.325-51.335

Pursuant to Sections 51.325-51.335 of the Commission’s rules, Consolidated Communications of Washington submits the attached Short Term Public Notice under rule 51.333(a) and Certification of Short Term Public Notice under rule 51.333(a). Specifically, Consolidated Communications of Washington is providing notification of the network changes that result in the decommissioning of the Consolidated Communications of Washington Yelm DMS Switch (YELMWAXADS0 & YELMWAXA02T) and replacing it with a Meta Switch (YELMWAXAPS0) located at 105 2nd St SE Yelm, WA 98597.

**Washington Wire Centers:**

Central Office	Address	CLLI
Yelm, WA DMS500 Switch	105 2nd St SE Yelm, WA 98597	YELMWAXADS0
Yelm, WA Metaswitch	105 2nd St SE Yelm, WA 98597	YELMWAXAPS0

**Implementation Date: On or after April 8, 2020**

**Description of the Planned Network Change(s):**

The Consolidated Communications of Washington Yelm DMS Switch YELMWAXADS0 and YELMWAXA02T, located at 105 2nd St SE Yelm, WA 98597, will be retired and removed from the network after all traffic served by this switch is migrated to the Consolidated Communications of Washington Yelm Metaswitch YELMWAXAPS0 located at 105 2nd St SE Yelm, WA 98597. All traffic to be migrated includes, but is not limited to, Inter-LATA (ACCESS/FG-B-D/CLEC/IXC), Intra-LATA, Local, wireless, and paging traffic.

**Description of Reasonably Foreseeable Impact(s) of the Planned Change(s):**

Competitive local exchange carriers (CLECs), interexchange carriers (IXCs, IECs), wireless carriers, and paging carriers will need to update records of trunk groups currently terminating to the Yelm DMS to reflect the move to the Yelm MetaSwitch. Carriers that are code holders for access connectivity in the Yelm DMS Switch will be required to reposition the codes to the YELM Metaswitch.

**Consolidated**  
communications

5000 West 12th Street | Suite 1000 | Denver, CO 80202

ASRs for the YELM Metaswitch must be received in order to make changes to records. All traffic for these trunk groups will be migrated to the MetaSwitch with no new facilities required. This will be a records only change on the part of carriers. Local Exchange Routing Guide (LERG) change effective dates will be posted prior to decommissioning of the Yelm DMS Switch (on or after 2/8/20). This will serve as a guide for interconnecting companies to update their records reflecting the new CLLI and switch type.

For additional information on these planned network changes, please contact:
